## Built for business performance

Organisations today face growing pressure. IT threats are evolving, regulatory scrutiny is tightening and environmental, social and governance expectations are rising.

At the same time, high-volume monochrome printing remains essential. The RICOH IM A3 Black & White Series gives you the confidence to move forward, combining performance, protection and sustainability in one intelligent device for the modern workplace.

## Designed to reduce environmental impact

Meet sustainability expectations without compromising performance. The RICOH IM A3 Black & White Series helps reduce energy use and waste.

- **Low typical energy consumption (TEC)** values to cut energy use and operating cost
- **Energy-efficient** low-melt toner to reduce waste and power consumption
- Up to 50% **recycled materials** in the main frame to support environmental, social and governance (ESG) objectives
- **Durable construction** to extend device life and reduce replacement frequency
- **EcoLeaf and Blue Angel Mark** certifications to support regulated procurement

## Security built into every layer

Print infrastructure is part of your IT ecosystem. It must be protected accordingly. These intelligent devices are designed with security at their core.

- **Trusted Platform Module (TPM 2.0)** to protect encryption keys and credentials
- Support for **enhanced SSL/TLS security** using ECDSA-based certificates
- **Encryption** of data at rest and in transit to reduce exposure
- **User authentication** and administrator role management
- **Encrypted SSD storage** to protect residual data
- Continuous updates through **RICOH Always Current Technology**

## Intelligent devices you can depend on

In document-intensive environments, reliability is not a feature. It is a requirement. The RICOH IM A3 Black & White multi-function series is engineered for consistent high-volume output across departments and locations.

- **Print speeds** of **25, 35, 45 and 60 pages per minute** to match workload requirements
- **High-speed, duplex scanning** on single-pass document feeder models to accelerate workflows
  - Scanning speed: **SPDF** (A4 LEF, 200dpi), 150 (simplex) / 300 (duplex) ipm
  - Scanning speed: **ARDF** (A4 LEF, 200dpi), 80 ipm
- **Responsive Smart Operation Panel** for intuitive, low-friction use
- **Flexible finishing** including stapling, saddle stitching and paper folding
- **High-capacity paper handling**, up to 4,850 sheets to support high-volume document environments

## Software that unlocks the full value of print

Maximise your print infrastructure and extend the capabilities with award winning Ricoh software solutions.

### RICOH CloudStream

- Cloud-based device, print and scan management
- Server-free simple to manage

### RICOH Streamline NX

- Centralised control and reporting
- Policy enforcement and compliance monitoring

### RICOH Intelligent Document Processing

- Automated capture and routing
- Reduced manual effort and fewer errors

### RICOH Certificate Enrolment Service

- Automate certificate management
- Enhance security of device communications

## Built for today. Ready for what's next.

Workplaces are evolving. Threats are evolving. Expectations are evolving. Your print infrastructure must evolve with them. The RICOH IM A3 Black & White Series is designed for long-term resilience and adaptability. Continuous software updates and feature enhancements help extend the value and usable life of the device.

- Ongoing feature and security enhancements through **RICOH Always Current Technology**
- **Seamless integration** into hybrid and distributed work environments
- Designed for **secure** integration with modern IT and cloud environments
- **Scalable** across enterprise fleets
- Designed to support **long-term investment protection**

## Why Ricoh

Choosing Ricoh means choosing a partner committed to secure, sustainable and future-ready workplaces. With decades of expertise in workplace technology and services, we help organisations reduce risk, improve efficiency and adapt with confidence as their needs evolve.

### You benefit from:

- Recognised leadership in print security and cloud print services
- Deep expertise in managed print services
- Sustainable innovation embedded into device design
- A partner focused on measurable business outcomes

## Talk to us

Discover how the RICOH IM A3 Black & White Series  
can help you power productivity and protect what matters.
